INCOME TAX FORMS

Effective immediately the Delaware Division of Revenue will accept white paper forms as a substitute for all colored paper tax returns. Accordingly, privately printed reproductions of Delaware tax returns may be filed on white paper, provided other requirements with respect to size, quality of paper, etc. are met.

This policy is in accord with that announced by the Internal Revenue Service in TIR 1265, and is taken in recognition of the problems encountered by some return preparers in obtaining colored paper for this purpose.

Director of Revenue
